Background Checks

Tired of Worrying if Cleaners Have Been Checked-out BEFORE They Check-in?

Well, if your current cleaning company does NOT have a rigid set of screening procedures to follow BEFORE hiring anyone to clean your office - **you may be right to be worried!**

For example...

- Does your cleaning service have specific hiring procedures **which MUST be followed**, to identify the very best candidates, or does it seem more like, if someone shows up - *they're hired?!*
- Does your current cleaning service insist on **IN-DEPTH** interviews to uncover important factors to help identify the best potential employees?
- Does your current cleaning service give more than *lip-service* when it comes to **vetting** applications and **performing** appropriate background checks?

Well, We Do - and Here's Our Commitment:

We follow a careful 3-step HR screening approach for applicants, including:

1) in-depth interviews 2) detailed vetting of applications 3) appropriate background checks

Better cleaning starts by finding the best people

Enjoy this checklist of IMMEDIATE benefits:

RELIEF! the days of worrying who the *virtual strangers* are wandering aimlessly in your office are OVER - because we do the important work of checking out each applicant before they get hired, before they arrive to your office!

DELIGHT! Our job is to slow down - and carefully find, hire and train reliable applicants who will take pride in working hard to consistently delight you and your staff.

Janitor's Closet, LLC

Uniformed Cleaning Personnel

Want to Instantly Know 'Who's Who' in YOUR Office?

Have you personally experienced ANY of the following?

- *embarrassed*, having to shuffle VIP's around to avoid running into cleaners whose appearance is inappropriate?
- *confused* by an endless stream of new hires, often looking unprofessional, giving you no clue whether they're 'with the cleaning service' - or not?
- *frustrated* by constant questions from concerned office staff - asking WHO the people in the building were last night?

It doesn't have to be that way. Here's our commitment:

Our Cleaners & Managers Wear Professional Uniform Shirts

That's right, our staff will be easy to identify and project an image of professionalism. We'll be proud to have them report to your home or office - and you'll be proud to have them there.

Is Wearing a Uniform Important? Absolutely.

Enjoy this list of IMMEDIATE benefits:

ALL ABOARD - and accounted for. On a ship, it's important to know everyone who needs to be onboard – is, and no one else. Same thing goes for your office. With our identifiable uniform shirts, it's easy to confirm who is 'onboard' at your building - every night.

NO MORE nervously wondering. Give your employees peace-of-mind; replacing questions with answers. They want to know 'who's who', and with us - they'll will. They'll feel better and safer; knowing they can talk to a cleaning person - with confidence.

LOOK Sharp, BE Sharp! What we wear projects our attitude toward our work, and ours says, 'We care about looking professional'.

Janitor's Closet, LLC

proudly offers...

Strong Front-Line Supervision

Are Your Current Cleaners Being Supervised by Strong, Front-Line Supervisors?

Have YOU personally experienced ANY of the following?

- **'Trash & Dash'**, half-hearted cleaning from bored employees who haven't seen a supervisor - in months?
- **'Not My Job!'** attitude from cleaners, roaming hallways - with little guidance or support?
- **'Forced to Steer'** visitors past poorly cleaned areas and still worry – how the restrooms will look during breaks?
- **'Forced to Call'** the cleaning service to point-out issues because - there's no cleaning supervisor to spot them?

Well, there is an answer, and here's our commitment:

We Assign Each of Our Cleaners to a Strong Front- Line Supervisor,
who 1) directs the work 2) supports the staff and 3) guarantees you're cleaned properly

The truth is - getting and keeping a building clean is as much about supervision as it is about cleaning. That's why we implemented and follow an active-management approach, because...

Better Supervision Equals Better Cleaning

You'll LOVE the IMMEDIATE benefits from our focus on supervision:

Ahhh, the sweet sound of overhearing a supervisor's 'pre-game pep talk' with the cleaning staff, discussing the work plan for the night.

\$\$\$... a cleaner, more productive office; you'll notice your office looks better - because better supervision equals better cleaning... which helps make employees happier and more productive.

Janitor's Closet, LLC

proudly offers...

Same-Day Service Response Plan

"Does Your Current Cleaning Service Follow a Specific Plan for How They Respond to a Customer Request – and How Quickly?"

That's really the TEST:

Does your current cleaning company follow a **Specific Response PROCEDURE** – spelling out how they will 'record, schedule, staff and complete' your requests?

Does your current service have a **Specific Response TIME Commitment** - so you can relax, knowing the work will be done right - and on time?

Probably not...*but they should*, and with us – you can. Here's why:

We Record Your Service Request, Prepare an Effective Service Response and Communicate Our Service Plan to YOU ...on The Same Day!

That's right, start enjoying the peace of mind of KNOWING the extra cleaning you've asked for will be: 1) done right and 2) on time.

With our team, we review each service request and create an effective work plan, including the schedule and staff needed to complete it.

Enjoy these IMMEDIATE benefits:

1. **YOU'LL NOTICE** - you'll quickly see what you need done - IS DONE, and not at the last minute, but in plenty of time for you to relax in advance of the VIP's coming.
2. **VIP's WILL NOTICE** – important visitors are people too – and everyone appreciates when they see a lobby - that's orderly, a conference room - that's clean and especially a restroom - that's immaculate.

COVID-19 Disinfecting

Want a Cleaner, Healthier, Safer Workplace? We're READY to Help!

Things have changed. There are new health challenges – and what you need from your cleaning service has changed too.

You need someone educated, trained and equipped to tackle these new challenges; to create a cleaner, healthier, safer place to work.

Good news! Our team is trained and equipped on best methods for effectively disinfecting using EPA approved products for SARS-CoV-2, the virus that causes COVID-19 and the right equipment to get the job done - safely and professionally. *Here's the thing...*

Disinfecting is More Than Just Spraying a Chemical... and Walking Away

That's why we follow EPA and CDC guidelines along with manufacturer's directions for product use.

There are important procedures for effectively disinfecting, *such as:*

Disinfecting: High touch surfaces will be thoroughly cleaned using a detergent-based cleaner and microfiber cloth. When dry, an EPA disinfectant approved for SARS- CoV-2 will be used according to manufacturer's directions including PPE, application, dwell time and ventilation.

We're trained and equipped to properly and safely disinfect your workplace

Let us help you meet today's new challenges. Call now, so we can carefully explain our complete disinfecting process and answer any questions you have.

You care about your people, value the work they perform, and the important contribution they make every day to your company's success.

Taking proactive steps, like professional disinfecting, can create a cleaner, healthier, safer environment, and is appreciated by everyone - staff, customers, and visitors too.

PURPOSE:

Request that the Water and Wastewater Utility Board approve the selection of Great Lakes Overhead Door Inc. as the low (only) bidder and award them the Grit Room Door replacement project.

BACKGROUND:

As part of the FY 2022-2023 CIP budget, the Board and Council approved the replacement of the Grit Room Door. It is a Rolling 12' X12' Steel Door that has deteriorated to the point of needing replacement. The Request for Proposal was posted, and two companies were sent the proposal. The Overhead Door Company of Appleton responded back that they will not be bidding on this project. Great Lakes Overhead Door Inc. provided a bid of \$7,200.00. Great Lakes Overhead Door Inc. is from Menominee, and they replaced the door fifteen years ago. They have also been servicing our doors.

BUDGET IMPACT:

This item has a budget of \$7,000 which the City Council approved with the Capital Improvement Plan for FY 2022-2023. The purchase agreement is for \$7,200.00 and will be encumbered from the FY 2022-2023 Wastewater CIP budget in the Account 590-536.000-970.000.

COMMITTEE RECOMMENDATION / ACTION:

STAFF RECOMMENDATION / ACTION REQUESTED:

The Wastewater Department recommends that the Water and Wastewater Utility Board approve the award of the purchase agreement to Great Lakes Overhead Door Inc. and recommend it to City Council.

TITLE: WATER/WASTEWATER RATE INCREASE

Requesting Agency:	Water/Wastewater Department	Meeting Date:	May 15, 2023
Contact:	Mike Thorsen	Public Hearing:	
Phone:	906-630-1016	Advertising Date:	
		Council District:	City Wide
Attachments:	<ol style="list-style-type: none">1. Proposed rates, revenue generated, and average user rate increase.2. Estimated cost for lead service line removal.		

PURPOSE:

Request that the Water and Wastewater Utility Board approve the proposed meter and commodity rate increase of 6% for Wastewater and 12% for Water.

BACKGROUND:

Inflation has greatly impacted operational costs at both the Water and Wastewater facilities. To keep pace with inflation, a 6% rate increase is proposed for both entities. For Water, we are also proposing an additional 6% rate increase for a total of 12%. The additional 6% will be utilized to partially fund the EGLE mandate of replacing all lead service lines. This unfunded mandate began in 2021, and it will continue for up to 20 years until all lead service lines are replaced. We are in the process of inspecting and inventorying all service lines. From the records we currently have examined and developed, we are estimating over 1000 lead services lines will need to be replaced either on the city side, homeowner side or both. And at the current service line replacement costs, we are estimating over 5 million dollars total or approximately \$300,000 per year will be needed to comply with this mandate. To generate the additional \$300,000 in revenue, an additional 18% increase in the water rates will be required. We are proposing the 18% increase be divided equally over the next three budget years (6% per year). To comply with the replacement mandate of at least 5% of the lead services per year, we are currently replacing lead service lines under the SRF project. The amount of lead service lines replaced during this project shall keep us in compliance with the mandate until 2025 at which time the additional rate increases will be utilized for funding.

A resident that uses a quarterly average of 12 units (8,976 gallons) of Water and Wastewater, will have a 9% increase in their total quarterly bill or an increase of \$16.26 per quarter (\$5.42 per month).

Agenda Item: _____

BUDGET IMPACT:

A 6% increase in the Wastewater rates will generate approximately \$106,000 in additional revenue.

A 12% increase in Water rates will generate approximately \$220,000 in additional revenue.

COMMITTEE RECOMMENDATION / ACTION:

STAFF RECOMMENDATION/ ACTION REQUESTED:

The Water/Wastewater Department recommends that the Water and Wastewater Utility Board approve the rate increase of 6% for Wastewater and 12% for Water and recommend the rate increase to City Council.

Note: 15% of the Quantity was used to figure out the estimated quantity for "No lead but unknown on homeowner service"
Currently, we have about 18% of the homes we inspected are galvanized but these are mostly in areas of the proposed infrastructure improvement projects thus older mains.

Note: Estimated cost is based on all costs associated as being completed individually not during a road project. If completed during a road project, the costs will be substantially less.

The following preamble and resolution were offered by

And supported by

Resolution 2023-007 Approving Transfer of Industrial
Facilities Exemption Certificate 2013-024 For Market Development LLC

WHEREAS, pursuant to P.A. 198 of 1974, M.C.L. 207.551 et seq., after a duly noticed public hearing held on January 20, 1975, this Council by resolution established Industrial Development District No 1; and

WHEREAS, the City of Menominee approved an application from FF 4800 LLC requesting an Industrial Facilities Exemption Certificate 2013-024 for a new industrial facility investment located at 1230 48th Avenue; and

WHEREAS, Market Development LLC has filed an application for a transfer of Industrial Facilities Exemption Certificate 2013-024 with respect to a 5,188 square foot office addition & 39,625 square foot freezer warehouse of a New Facility located within the Industrial Development District No 1; and

WHEREAS, the applicant, the Assessor, and a representative of the affected taxing units were given written notice of the transfer application and were offered an opportunity to be heard on said application; and

WHEREAS, Market Development LLC has substantially met all the requirements under Public Act 198 of 1974 for the transfer of Industrial Facilities Exemption Certificate 2013-024; and

WHEREAS, the aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Menominee, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted; and

NOW, THEREFORE, BE IT RESOLVED BY the City Council of the City of Menominee that:

1. The City Council finds and determines that the granting of the transfer of an Industrial Facilities Exemption Certificate considered together with the aggregate amount of certificates previously granted and currently in force under Act No. 198 of the Public Acts of 1974 and Act No. 255 of the Public Acts of 1978, **shall not have the effect of substantially impeding the operation of City of Menominee, or impairing the financial soundness of a taxing unit which levies ad valorem property taxes in the City of Menominee.**

2. The application from Market Development LLC for a transfer of Industrial Facilities Exemption Certificate 2013-024, with respect to a New Facility on the following described parcel of real property situated within the Industrial Development District No 1 to wit: SEC 22 T32N R27W CITY OF MENOMINEE PART OF THE SE1/4 OF THE SE1/4 & THE SW1/4 OF SE1/4: LOTS 1 & 2 CERTIFIED SURVEY 453. be and the same is hereby approved.

3. The Industrial Facilities Exemption Certificate when issued shall remain in force for the remaining years approved under Industrial Facilities Exemption certificate 2013-024 with an end date of (12/30/2025).

Instruction for Completing Form 1012, *Industrial Facilities Tax Exemption (IFT) Application*

The completed original application form 1012 and all required attachments, **MUST** be filed with the clerk of the local unit of government where the facility is or will be located. Complete applications must be received by the State Tax Commission by October 31 to ensure processing and certification for the following tax year. Applications received after the October 31 deadline will be processed as expeditiously as possible.

Please note that attachments listed on the application in number 16a are to be retained by the local unit of government, and attachments listed in number 16b are to be included with the application when forwarding to the State Tax Commission (STC).

(Before commencement of a project the local unit of government must establish a district, or the applicant must request in writing a district be established, in order to qualify for an IFT abatement. Applications and attachments must be received by the local unit of government **within six months of commencement of project.**)

The following information is required on separate documents attached to form 1012 by the applicant and provided to the local unit of government (city, township or village). (Providing an accurate school district where the facility is located is vital.)

1. Legal description of the real property on which the facility is or will be located. Also provide property identification number if available.
2. Personal Property Requirements: Complete list of new machinery, equipment, furniture and fixtures which will be used in the facility. The list should include description, **beginning date of installation** or expected installation by **month/day/year**, and costs or expected costs (see sample). Detail listing of machinery and equipment **must match amount shown** on question 6b of the application. Personal property applications must have attached a certified statement/affidavit as proof of the beginning date of installation (see sample).
3. Real Property Requirements: Proof of date the construction started (groundbreaking). Applicant must include one of the following if the project has already begun; building permit, footings inspection report, or certified statement/affidavit from contractor indicating exact date of commencement.
4. Complete copy of lease agreement as executed, if applicable, verifying lessee (applicant) has direct ad

valorem real and/or personal property tax liability.

The applicant must have real and/or personal property tax liability to qualify for an IFT abatement on leased property. If applying for a real property tax exemption on leased property, the lease must run the full length of time the abatement is granted by the local unit of government. Tax liability for leased property should be determined before sending to the STC.

The following information is required of the local unit of government: [Please note that only items 2, 4, 5, 6, & 7 below are forwarded to the State Tax Commission with the application, along with items 2 & 3 from above. The original is required by the STC. The remaining items are to be retained at the local unit of government for future reference. **(The local unit must verify that the school district listed on all IFT applications is correct.)**]

1. A copy of the notice to the general public and the certified notice to the property owners concerning the establishment of the district.
2. Certified copy of the resolution establishing the Industrial Development District (IDD) or Plant Rehabilitation District (PRD), which includes a legal description of the district (see sample). If the district was not established prior to the commencement of construction, the local unit shall include a certified copy or date stamped copy of the written request to establish the district.
3. Copy of the notice and the certified letters to the taxing authorities regarding the hearing to approve the application.
4. Certified copy of the resolution approving the application. The resolution must include the number of years the local unit is granting the abatement and the statement "the granting of the Industrial Facilities Exemption Certificate shall not have the effect of substantially impeding the operation of (governmental unit), or impairing the financial soundness of a taxing unit which levies ad valorem property taxes in (governmental unit – see sample).
5. Letter of Agreement (signed by the local unit of government and the applicant per P.A. 334 of 1993 (see sample)).
6. Affidavit of Fees (signed by the local unit of government and the applicant), (Bulletin 3, January 16, 1998). This statement may be

incorporated into the Letter of Agreement (see sample).

7. Treasury Form 3222 (if applicable - *Fiscal Statement for Tax Abatement Request.*)

The following information is required for rehabilitation applications in addition to the above requirements:

1. A listing of existing machinery, equipment, furniture and fixtures which will be replaced or renovated. This listing should include description, beginning date of installation or expected installation by month/day/year, and costs or expected costs.
2. A rehabilitation application must include a statement from the Assessor showing the taxable valuation of the plant rehabilitation district, separately stated for real property (EXCLUDING LAND) and personal property. Attach a statement from the assessor indicating the obsolescence of the property being rehabilitated.

The following information is required for speculative building applications in addition to the above requirements:

1. A certified copy of the resolution to establish a speculative building.
2. A statement of non-occupancy from the owner and the assessor.

Re: Transfer of PA 198 Industrial Facilities Tax Abatement – Certificate # 2013-024
Address: 1230 48th Avenue, Menominee, Michigan
Initial Applicant/Transferor: FF4800 LLC
Proposed Transfer: Market Development LLC

Dear Mr. Botbyl:

As you are aware, on December 12, 2022, SpartanNash (or its affiliates, including Market Development LLC) acquired the assets of Great Lakes Foods, including the acquisition of Great Lakes Foods' distribution facility in Menominee, which was owned by an affiliate, FF 4800 LLC). Market Development LLC has requested a transfer of the Industrial Facilities Tax Abatement (granted to FF 4800 LLC in 2012 with respect to an approximately 45,000 sf office and freezer/cooler expansion) to Market Development, the current owner of the Menominee distribution center. At the April 17, 2023 City Council Meeting, it became apparent that Great Lakes Foods (like other IFT recipients) had not been submitting annual employment reports as described in the Abatement Contract between FF 4800 LLC and the City of Menominee (the "IFT Agreement"). This letter is intended to provide that missing information.

At the time of the original IFT application, Great Lakes Foods reported 97 existing jobs, and 20 new jobs that were expected to be created within two years of completion of the proposed expansion. Although exact employment has fluctuated slightly over time, the original employment growth expectation has been achieved. Our understanding is that the actual project costs were consistent with the approximately \$1.8 million estimated in the original application.

While Market Development was not provided all of Great Lakes Foods historical employment records, we were provided records back to 2018. Since that time, Great Lakes Foods Menominee Distribution Center employed the following number of FTEs.

2018	113
2019	126
2020	131
2021	122
2022	128

SpartanNash acquired Great Lakes Foods with the specific intention of growing that business, and expanding the distribution center's operations and employment. SpartanNash's plan for the Menominee facility is to increase sales by securing new customers which will meaningfully increase business by spring of 2024. With the anticipated increase in sales comes a need to grow our workforce. To get the best talent, we have increased the starting wage of warehouse associates by \$3.00 per hour since our purchase of Great Lakes in December of 2022. Outside the need for labor within our four walls there will be an ancillary benefit to local third-party vendors and businesses as our needs for their specialized resources increase. To honor our commitment to the community we are continuing the annual \$20,000 scholarship fund to Menominee High School students. Two graduating students are being awarded \$10,000 scholarships on May 10th. As you can see SpartanNash is excited about being a part of the community, the business growth potential, and has a plan to recruit additional employees. We thank you for your consideration of this IFT Transfer request. We look forward to a developing a long and mutually beneficial relationship with the City of Menominee.

Very truly yours,

William Jacobs
