CART PLACEMENT RULES:

- The refuse cart is to be placed within 3 feet of the curb/street, on ONE side of the driveway. The recycling cart should be separated away from the trash cart, by approx. 3 feet.
- Each cart requires 3' of separation from any fixed object, such as parked cars, mailboxes, utility poles and carts.
- The cart handles and wheels are to face **away** from the street.

-If either cart is restricted and/or improperly placed, it will remain unserviceable, due to servicing as an automated route.
